FRANCE**

declare under our sole responsibility that the product:

ZE51-2.4 module

Radio module for ZigBee[™] application in 2.4GHz ISM band

to which this declaration relates is in conformity with all the essential requirements of the European Directive 1999/05/EC (R&TTE).

The conformity with the essential requirements of the European Directive 1999/05/EC has been verified against the following harmonized standards:

RF spectrum efficiency (R&TTE art. 3.2)	EN 300440 -1 Version 1.5.1
EMC (R&TTE art. 3.1b)	EN 301489 -3 Version 1.4.1
Electrical Safety and Health protection (R&TTE art. 3.1a)	EN 60950 -1/A11 and EN 50371

Restrictions :

CE marking applies only to End Products. Because this equipment is only a subassembly, compliance tests have been realized with Telit terminal. Manufacturer of End Products, based on such a solution, has to insure full conformity to be able to CE label marking.

The technical documentation relevant to the above equipment will be held at:

**Rue Evarist Galois
